Q How long have you been with THD and what was your first position?

A For about two years now and as a cashier.

Q If you could have any position in the store, what would it be?

A I like being a cashier so I really wouldn't want to be anywhere else.

Q What department would you never want to work in?

A I would never want to work in plumbing or electrical because there is a lot of little pieces and I wouldn't want to deal with that.

A I worked at this digital media place where I edited videos of teachers teaching their lessons to online schools.

Q What's a hobby that you enjoy?

A I love to be with my friends.

Q What's a meal you could eat over and over again?

A I love mashed potatoes, honestly could eat them forever.

Q What's your favorite part of working for THD?

A I love all the people I work with in every department, I also love how the managers will work with you on your schedule.

Q What's your advice to new associates?

A Wear what you're supposed to and pay attention, so you know what you are doing.

Customer Feedback:

Juana is very sweet to me!
Always makes my Shopping experience much better.

Customer Feedback:

Cheyenne was very helpful and made up the home install paperwork and checked us out at the desk. She also asked if we needed a 2 year replacement. I was very happy with her.

Customer Feedback:

I want to recognize Gracie. She took care of everything from start to finish. All of the guys were busy and she stepped in and lifted boxes for me, put them into my cart, checked me out and then lifted the boxes into my trunk. Another pleasant shopping experience for me because of your employees. She is a good example of a hard-working employee that really cares about your customers!

Customer Feedback:

We love coming to this store for my husband's company. We love Trinity and Juana. Juana walked me to what I was looking for and then carried it back to the register for me. She said hello to everyone we passed. She makes it feel like home around there.

Stephen keeping those lightbulbs stocked!

Kat helping customers solve their problems at the service desk!

Lisa staying hydrated while rocking the millwork desk!

Susie keeping customers healthy between every transaction!

Marcus making the spray paint look amazing by pulling everything forward.
