Customer Feedback:

Zachary was very helpful during our visit. An item that was discounted did not show up correctly when we were making our purchase and he was able to verify the correct price and complete our purchase. Thanks for going the extra mile to correct the price and help us complete our shopping trip.

Customer Feedback:

Saw an energetic meeting on the floor, nice to see employees getting praised. You don't see that often anymore.

Customer Feedback:

Josh went above and beyond when I entered without my wallet. He was able to guide me through the online purchase, then place the item I came in for, in my hand. Josh went 110% above and beyond.

Customer Feedback:

I usually prefer shopping at Lowe's but I am loyal to Behr paint and stopped into Home Depot for it. Today's experience at Home Depot was GREAT! Caleb went above and beyond to help me find the perfect paint color and when we couldn't come to a conclusion he gave me the time and space to sort it out on my own. He was readily available when I made my choice and had it ready for me in a very efficient time frame. Caleb was incredibly helpful, patient and efficient. You can tell he genuinely likes his job, due to his upbeat personality and knowledge of the products.

DIVERSITY, EQUITY & INCLUSION

We strive to create a place where everyone feels at home. Here, our associates are respected for who they are and for what they can do. Our company is stronger when we challenge each other to look at situations in new ways and when we can support every customer who walks through our doors and make them feel welcome, too.
