Customer Feedback:

I am very happy I received my item before the date it was supposed to be delivered, thank you very much! Michael Laughlin helped me load my item and was very kind.

Customer Feedback:

Caleb and Ron in the Paint department were fantastic. They were busy when I got there but communicated with me that they would be right with me. They were very informative and helpful!

Customer Feedback:

Kim who works in the paint department, helped me with a stain I was trying to make darker. I am an interior painter/faux painter. I am staining my cedar in the front of my house. She was super helpful and helped me make the stain the correct color, very knowledgeable!

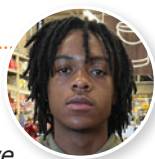

Customer Feedback:

Vikki was kind, thoughtful and helpful.

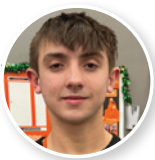

Customer Feedback:

Tre was super helpful when we were looking for mulch.

Customer Feedback:

Caleb at self checkout was marvelous! He really has his head screwed on properly. Humor, lightheartedness and while sometimes is a tedious silent event. This young man does your store a lot of good.
