Thanks to SASM Justin!

I am still fairly new to the Pro Department Supervisor role and The Home Depot in general so when I saw our PASA Larry sell a \$22K wire order, I was shocked. I really didn't know how big of a deal that amount is because I have seen Larry do this in my 3 months being employed here at The Home Depot so I just thought it was the norm.

Larry, I truly appreciate all of your hard work, your guidance and everything else you do for us here at 8460. Keep up the excellent work and thank you!!
